## ABOUT THIS COOKIE POLICY

This Cookie Policy explains to you the use of cookies and similar tracking technologies on our website – sligosportandrecreation.ie. You can at any time change or withdraw your consent from the Cookie Declaration on our website.

## WHAT IS A COOKIE?

A cookie is a small text file stored on your computer or mobile device that contains data related to a website you visit. Cookies have varying functionality and are typically used to ensure that a website functions properly and as you might expect it to. Cookies also allow websites to ‘remember’ your browsing habits or preferences over a period.

Cookies may be set by **Sligo Sport and Recreation Partnership (SSRP)** as the website operator directly (“first-party cookies”) or in some cases, by another third-party service provider (“third-party cookies”). In the latter scenario, cookies are deployed for social media, advertising, or analytics purposes. **SSRP** will only be able to directly recognise and read the information contained on first-party cookies.

## THIRD PARTIES

We avail of third-party technologies across our site. These technologies help us to understand how you use the site and the ways in which we can improve your user experience. These technologies may track certain information such as the pages you visit across our site as well as how long your visit lasts. This allows us to continue providing engaging content. (**Example Google**)

We also use social media plugins on this site that allow you to view videos and otherwise interact with certain content. In order for these technologies to work, trusted third parties will set cookies and tracker pixels throughout our site. Once enabled, these technologies may be used to enhance your profile or to contribute to the data they hold for various purposes outlined in their respective privacy policies. We strongly encourage our visitors to review these policies in advance of granting consent to deployment. (**Example YouTube**)

## WHAT INFORMATION DO WE OBTAIN FROM YOU?

For each visitor to our site, we automatically gather certain potentially identifying information and store it. This information includes your Internet Protocol (IP) address, your browser type, internet service provider (ISP), referring/exit pages, your operating system, date/time stamp, processor or device serial number, unique device identifier, and clickstream data. We collect this information on an individual basis and in the aggregate, or combined form.

**OUR USE OF COOKIES AND SIMILAR TRACKING TECHNOLOGIES**

We use cookies to provide you with the best user experience on our website, this includes:

- Optimising network resource usage
- Remembering you when you wish to log in to your account
- Providing support for social media features
- Analysing visitor traffic across our site
- Remembering your cookie consent status

**CATEGORIES OF TRACKING TECHNOLOGIES THAT WE SET**

We avail of both first and third-party technologies across our site. SSRP takes our visitors’ right to privacy seriously in keeping with our obligations under EU data protection/privacy law. Should you consent to the deployment of any category of optional technology, we will record your consent for a period of no longer than 6 months subject to interaction; at which point these technologies will be disabled.

**NECESSARY COOKIES**

These cookies are necessary for the website to function. They are set for security purposes and in response to actions made by you that amount to a service request such as how you interact with our cookie banner, log in to our platform, or as you fill out forms on our site. While we cannot disable these cookies, you have the option to do so via your browser settings. Should you do so, certain aspects of our site will no longer function.

Host	Name	Description	Duration	Type
JDK Design	Google ReCaptcha Cookie	To help identify bots using the site	This is disabled on SSRP website.	HTTP Cookie
JDK Design	Session Cookie	Standard cookie to keep users logged in.	This cookie expires once a user logs out or closes their browsing session.	HTTP Cookie

**ANALYTICS COOKIES (OPTIONAL)**

These cookies allow us to determine the number of visits to our site as well as where that traffic originates. This helps us understand which pages are the most popular as well as how it is that you come to view them. All information collected by this category of cookies is held in aggregate form and is therefore anonymous. While this information will not be combined by SSRP for profiling purposes, it may be combined by certain third parties such as Google to build a profile of your interactions across the web. This may result in highly targeted advertising on other sites. If you disable this category of the cookie, our site will still work, though its improvement over time will be hampered.

Host	Name	Description	Duration	Type
JDK Design	Google Analytics	Tracking Cookie	2 Years	HTTP Cookie

#### **FURTHER INFORMATION**

Our website service provider regularly scans our website to maintain a record of the tracking technologies we deploy. SSRP only processes your personal information in accordance with this Policy as well as our Privacy Policy.

Should you require additional information then you can contact us at the following email address: [info@sligosportandrecreation.ie](mailto:info@sligosportandrecreation.ie)
